Seminar Outcomes

1. Understanding the importance of GATE and how it affects future opportunities.

2. Learn about how to prepare for the Gate Competitive exam.

3. How to handle distractions during the studies.

4. How to plan out the preparation during college times.

The event began at 10.00 a.m. in the Auditorium where all the students were seated.
Ms. Kavya Naik, current President of ITSA introduced the speaker on stage and the Principal of SJCEM welcomed her with a very welcoming speech. Ms. Ankita Dodamani, an ex-student of the SJCEM IT department introduced herself to the known as well as unknown students of SJCEM. The aim of the talk was to introduce the students to the benefits of preparing for GATE. Important topics and all the related data and study materials were summarized by the speaker.
The speaker Ankita Dodamani also discussed the different opportunities one might come across along the way. Lastly, the session concluded with a Q&A round. The session ended around 12:30 p.m. and a letter of appreciation was provided to Ms. Ankita Dodamani by the whole of the Information Technology Department from the Head of the Department of IT.
Needless to say, the event was truly a successful one!
