On September 20, 2022, ITSA completed its two years. To honour the hard work and dedication, we organised a small celebration for our whole IT department. All the IT Department students were dressed in traditional attire, and alumni who were part of ITSA were also invited to the celebration. The celebration was not just for the completion of two years but to honour the hard work and efforts that the students have put in for this completion of Two years. The celebration begins at 2:00 p.m. at the MMS Hall of SJCEM. Mr. Pratik and Mr. Srinivas addressed and welcomed the gathering. After that, our honourable principal, Dr. G.V. Mulgund, congratulated the team. ITSA even launched its website on this beautiful occasion of two years. Acts and dance performances were also performed by the IT department students.
